Chief,

███████████████████████████████████████

If you do decide to say something you may be able to as a "recent" incident.

We can discuss if you'd like.

Christine Fountain

Dear Chief,

I think it would be helpful if you offered some comments on the search related to the stolen police report in the Adachi case. There seems to be quite a bit of discussion in the media. Obviously, there is only so much you can say at this stage, but I think it would be helpful nonetheless.

Regards,

John
